

Faculty of Health Sciences and Social Studies, University of Szeged
Choosing Thesis Topic and Consultant

18.3. The subject of theses should be selected in the cycle defined in the curriculum of the programs / specializations. The deadlines related to the topic selection, submission and defense are contained in the table of study deadlines announced at the beginning of the academic year, which should be available on the faculty website. The graduation of the thesis / diploma work is carried out by a consultant. Consultant may also be an external expert with the permission of the Faculty Instructor or the Head of the Department.

18.4. The selected topic of the thesis / diploma thesis should be announced on the form "Choosing thesis topic and consultant" and accepted by the head of the given educational organization. The accepted thesis / diploma theses are registered by the Registrars Department / the Secretariat of International Programs.

18.5.1. Changing a consultant can be done at any time during the studies, with the agreement of the department / head of department. The change must be reported in writing, if accepted by the new consultant.

18.5.2. Changing topics during the studies is allowed with a special permission during the second thesis writing course. The application must be submitted to the head of the unit responsible for the training.
